

CATHOLIC CENTRAL FOOTBALL QUARTERBACK CLUB

Welcome to the 2019 Catholic Central Football Quarterback Club! This club was established to raise funds for Catholic Central football to offset the expenses of running a successful program which are not covered by the school due to budget constraints. It costs on average approximately \$1,300 to outfit a Varsity Football player on any given Friday night for a game. Please join us and make a tax-deductible donation to be used to purchase cutting-edge football-specific training equipment, team-building items for the players (Challenge Coins, CC Football apparel), equipment, technology, and any other needs for the football program.
